PROFILE

I am a former bank security officer, proficient in bank security and delivery logistics. Along with my almost 8 years of expertise in managing security in operations with cash and documentation, I have considerably improved my skills during a cybersecurity course and I am highly enthusiastic to transfer my theoretical knowledge and previous experience into practical solutions as a Junior Cybersecurity specialist.

WORK EXPERIENCE

JSC "Oschadbank"

Aug 2017- Mar 2022

Security officer

- Senior security officer in the Department of collection and transportation of currency values
- Deputy head of the sector of collection in Kherson and Kherson region.
